

EIGHT POINTS ABOUT CWA YOU SHOULD KNOW BEFORE YOU SIGN OUR PETITION

1. I'm signing this petition because I support CWA. You can count on my support in an election for union representation.
2. I want to be informed and updated throughout our organizing campaign. Someone from the committee will stay in touch with me.
3. I know it takes everyone to build the union. I'll do my share.
4. I understand that no manager, supervisor or other company employee can interfere with my rights under the law to show support for CWA.
5. It's my right under the law to sign a petition, wear a button and distribute union material.
6. If management gives me any problems, I will contact a committee person.
7. When management puts out negative information about my union, I'll get the facts from my union committee.
8. I understand that CWA dues are 1.3% of my base pay and that we won't pay a penny in dues until we get a contract that is supported by the majority of members who work here.

I know that if I have any questions about my union I can contact:
