

- Experience Exemptions
 - 2 years or longer in a job title or military assignment in which the majority of work entailed one of the following:
 - Advanced Telecom Technology
 - Computer Science & Digital Technology
 - 2 years or longer of experience in AT&T which involved Advanced Technical Skills (i.e. electronics, switching, and circuit related work)

The Test Guide is attached as well as updated Job Briefs for the titles listed above. An employee communication about this change is planned to go out the evening of September 1, 2017, and is attached for your information.

If you have any questions related to the changes outlined above please contact me at 512-840-6056.

Sincerely,

Paul B. Cardarella
Director – Labor Relations
